Complete Part B if Part A consent is not given

- * Parent or student consent is not required for non-government schools to receive student information from a student's previous non-government school if the previous school has a data collection notice which complies with the guidelines in the National Catholic Education Commission and National Council of Independent Schools' Associations Privacy Compliance Manual 11 December 2001 (Latest amended version December 2011), Section 7.10.1.
- 'New School' is defined as either the school at which the student is enrolled OR the school at which the student is seeking enrolment. The consent process should be initiated at the point of application for enrolment so that information is received before the enrolment process is finalised.
- ^ If the student is 16 years of age or older, student consent should also be sought.
